

HealthStat Rx partners with the AIDS Research and Treatment Center of the Treasure Coast (ARTCTC) to provide HIV/AIDS pharmacy services

LARGO, FL, July 22, 2010 – HealthStat Rx LLC, has contracted with the AIDS Research and Treatment Center of the Treasure Coast (ARTCTC) to provide outpatient pharmacy services to support its clinic patients. ARTCTC is a non-profit organization whose mission is to provide comprehensive and compassionate medical care to people living with HIV/AIDS in the Treasure Coast area. HealthStat Rx will provide prescription processing, medication adherence monitoring and on-going clinical support as part of this agreement.

“We are thrilled to be partnering with HealthStat Rx as our exclusive out patient pharmacy provider. HealthStat Rx is able to offer ARTCTC a comprehensive adherence support system managed by specially trained pharmacists whose desire is to be an essential part of the healthcare team. HealthStat Rx’s commitment to excellence in service and personal care satisfied our goal to offer our patients more than just a “drive-thru” pharmacy experience,” said Gerald Pierone Jr., M.D. and Founder of ARTCTC.
